BACKGROUND

Pursuant to Council Policy 110-1 Rule 4.4 (b)(2), this item has been placed on the agenda so that Council may discuss it and provide further direction to staff. Pursuant to Section 4.4, Council discussion is limited to whether staff time and City resources should be spent on the item and the time period for scheduling.

The two requests are considered here to provide consensus direction, if any, about the proposed content of a proclamation on the topic.
