DEPARTMENT: City Manager’s Office

STAFF: Tim Ogden, City Manager
Margaret Wimberly, City Clerk

TITLE/RECOMMENDATION

That the City Council consider and discuss the request from Council Member Mendoza from the February 13, 2024, Council Meeting to consider changes to the City’s website to reduce the two calendars to one.

FISCAL IMPACT

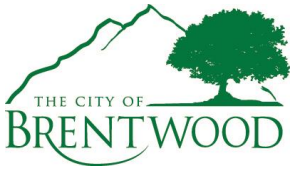

There is no fiscal impact associated with this action.

BACKGROUND

Pursuant to Council Policy 110-1 Rule 4.4 (b)(2), this item has been placed on the agenda so that Council may discuss it and provide further direction to staff. Pursuant to Section 4.4, Council discussion is limited to whether staff time and City resources should be spent on the item and the time period for scheduling.

As it relates to the City Council agendas page, in accordance with [Government Code section 54954.2](#) the City is required to maintain a direct link from our home page to our integrated agenda management platform, and this link cannot be in a contextual menu. The link must take the website visitor directly to the site with the agendas of a legislative body. It further requires that the current agenda be the first agenda available at the top of the agenda platform. With this requirement, staff does not recommend changes to the City’s agendas page.

During the consideration of this item, staff can show a brief presentation on the two website calendars in question for clarification and public transparency.
