I have very much enjoyed being a part of the City of Brentwood Parks and Recreation Commission for many years now. I would like to continue to be a part of the commission so that I can share my experience and knowledge that I've gained over the years. Our city's many parks and programs are a valuable asset to our residents. In Brentwood, we hold high standards for our parks, programming, and many events that we offer. I would like to continue to work with the parks and recreation staff and City Council to help maintain that standard. As a part time substitute teacher, I have the time and flexibility to be able to attend the meetings, events, and volunteer when needed. If given the opportunity, I look forward to continuing to serve my city on the Parks and Recreation Commission for another term.

I have over 10 years as a Public Commissioner in Moraga. Of those years, I spent 6 of them as a member of the Park and Recreation Commission, including one term as Vice Chair. As a member of the Commission, I was heavily involved in the implementation of the All Inclusive Park at the Moraga Commons, participated in or led multiple Park and Rec community activities. On many Saturdays I participated in several plantings events around the Town. The Commission was responsible for all sports fields which I was a major participant. The P&R Commission also oversaw the Library which became one of my areas of focus. I became a once-a-week volunteer in the Library as well as a member of the Friends of the Moraga Library. Since moving to Brentwood, I have become a member of the Friends of the Brentwood Library. I was approved by the Town Council to serve on other Public Commissions in Moraga. I reported to Jay Ingram, P&R Director, who is now the Recreation Director in Pleasanton.
