**SUBJECT:** An Informational Summary and Overview of Recent Statewide Housing and Land Use Legislation

**DEPARTMENT:** Community Development

**STAFF:** Alexis Morris, Director of Community Development

---

### **TITLE/RECOMMENDATION**

Receive an informational summary and overview of housing and land use related legislation from the 2023 legislative session.

### **FISCAL IMPACT**

None.

### **BACKGROUND**

The attached report summarizes Statewide housing legislation that passed during the 2023 legislative session. The information in the report is excerpted from a document prepared by the Association of Bay Area Governments (ABAG) Regional Housing Technical Assistance (RHTA) program for local planning staff.

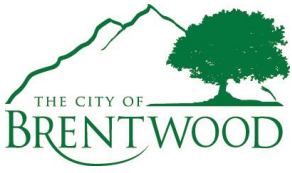

The report contains two sections – a written summary of legislation organized by topic and a summary in table format organized by Senate bills and Assembly bills. Each section notes a bill’s potential applicability to the City of Brentwood as of January 1, 2024. The report is posted on the City’s website on the General Land Use Legislation Information page:

<https://www.brentwoodca.gov/government/community-development/general-land-use-and-legislation-information>.

Weblative is preparing educational videos about several bills that will be published on social media and on the City’s website. Staff will also be placing articles about select bills in the *Brentwood Buzz*.
