On November 18, 2008, the City Council approved the appointment of a Local Preference Program Ad Hoc Subcommittee to examine the charter city issue with the following ultimate goals: 1) Receive report from the Subcommittee; 2) If Council desires further research into becoming a charter city, establish a new ad hoc subcommittee to examine specifically that issue; 3) Direct the new subcommittee to report back to the Council in early 2009, as part of the Council's goal setting for 2009/10. (The ad-hoc subcommittee was disbanded in 2010 as their scope of work was fulfilled.)
