

TABULATION OF BIDS			MATERIAL DESCRIPTION: Concrete Materials					
RECOMMEND:	Multi-Award Procurement - may utilize one or both of the following vendors: Central Concrete Supply Co., Inc. and Antioch Building Materials, Co.		VENDOR:	Central Concrete Supply Co., Inc.	Antioch Building Materials, Co.	RC Readymix		
REASON:	The nature of purchasing concrete materials will require us to purchase from not only the lowest bidder but the one that can provide the needed goods. Quotes received for Central Concrete and Antioch Building Materials (ABM) were similar overall for many items. This will allow flexibility should there be supply availability and/or time constraint issues for projects. Staff will work to use the lowest price vendor per project when possible.
