

# Help your city reduce crime with devices that capture objective evidence 24/7

Flock Safety provides an affordable, infrastructure-light public safety operating system for cities who want to reduce crime within a principled framework. Our license plate recognition (LPR) cameras, audio detection sensors, situational awareness cameras, and FlockOS platform help everyone in a city — law enforcement, public officials, schools, businesses, and community members — work together in pursuit of a safer community.

## Infrastructure-Free and Discreet Design

Many of our devices run on solar power and LTE connectivity. They can be installed almost anywhere and blend in with your city's aesthetic.

## Safety-as-a-Service

We install and maintain the devices, so you can focus on running the city. That means we will support you from procurement, through permitting, and even preparing you to present this project to the City Council.

## Vehicle Fingerprint® Technology

Flock Safety's LPR system allows police officers to find vehicle evidence by vehicle type, make, color, and after-market features. It's proven to increase case clearance and solve more crime.

Join thousands of communities using Flock Safety to eliminate crime and shape a safer future, together.

## Public Safety Technology Built with Principles

### YOU OWN THE FOOTAGE

We can't share or sell it to private third parties.

### PROTECT PRIVACY

All data automatically deletes by default every 30 days on a rolling basis and is encrypted.

### PROMOTE TRANSPARENCY AND ACCOUNTABILITY

Flock provides a transparency portal to share data with your community about how the devices work on an ongoing basis. Flock requires an investigative reason to search and logs searches in an audit report.

### CLEAR PRICING AND INFRASTRUCTURE FREE

All the data is stored in the cloud at no additional fee and there are no hidden costs.

### PROTECT THE WHOLE COMMUNITY

It takes all community members working together to eliminate crime, which is why we created a public private partnership that enables businesses, neighborhoods, schools, and others to partner with your city and police department to build your network.
