

SUBJECT: REVIEW: Reviewing fundraising events for the Youth Commission Scholarship and any event details for new fundraisers proposed by the Commission (K. Wallace).

DEPARTMENT: Parks and Recreation

STAFF: Stacey Dempsey, City Staff Liaison to the Youth Commission

TITLE/RECOMMENDATION

The Youth Commission should continue exploring and pursuing new fundraising opportunities, such as restaurant-sponsored events, to maintain a sufficient balance in the scholarship account. Commissioners will present their research on fundraising options, including potential dates, for discussion and approval.

FISCAL IMPACT

All funds received from fundraisers will benefit the Youth Commission Scholarship account, 100-0000-27003.00.

BACKGROUND

The Youth Commission recognizes the current balance of the scholarship account will limit the number of scholarships awarded in the future. At the August 7, 2024, meeting the Commission discussed new fundraising ideas to maintain a sufficient balance in the scholarship account. Commissioners were to research new fundraising options, namely restaurant-sponsored fundraisers, and provide available date options for said fundraisers. The group will discuss those they would like to pursue.

PREVIOUS ACTION

Currently, there are no new fundraising events. However, this item will be revisited in the staff report at the next meeting.
